Product description

Oehlbach Gaming Alu Style T1 - The premium desk holder for your gaming headset

A real gaming setup needs order and style - and your headset deserves a place that is just as high-quality as your equipment. The Oehlbach Gaming Alu Style T1 is the perfect storage for your gaming headset, keeping it safe, within reach and stylish right on your desk. Made from solid aluminum, this stand combines premium stability with a minimalist design - the ideal addition to your next-gen gaming setup.

Stability & premium design

The Alu Style T1 is more than just a stand - it's a real eye-catcher:

- ? Robust aluminum housing - maximum stability and long-lasting quality
- ? Stylish design with matte finish - fits perfectly into any gaming setup
- ? Secure attachment with screw mechanism - clamps firmly to the table for a firm hold

Perfect protection for your gaming headset

Your headset is an important weapon in every match - keep it safe:

- Wide and padded contact surface - prevents pressure points and deformation
- Perfect height for over-ear and on-ear models - compatible with all top gaming headsets
- Protects your desk surface - thanks to soft protective padding on the clamp

Next-level organization for your gaming battle station

With the Oehlbach Gaming Alu Style T1, equipment lying around is a thing of the past. Thanks to the fixed table clamp, your headset is always within reach, safely stowed away and ready to use - whether for the next e-sports competition or a relaxed gaming session.

More style. More order. More gaming - with Oehlbach Gaming.
